*This class follows the 2 day
Water Treatment, Water Distribution Certification Review, April 4-5, and June 6-7, 2017 in Salem.*

Course Description: This class will be a real-world discussion utilizing a diagram of an actual water treatment facility to give attendees the knowledge necessary to test for their level 3 and 4 Water Treatment and Distribution Certification as well as their Filter Endorsement. Different types of water filtration plants that are used in the water industry will be discussed in depth as well as proper operations of those filters focusing specifically on the math required to run Conventional and Direct Water Filtration plants. The math required to install, bring into service, and operate the Distribution systems served by these Water Filtration Plants will also be discussed.

REGISTRATION POLICY: OAWU reserves the right to cancel this class 7 days prior to class date for lack of registrations. **NO REFUNDS** will be issued and **REGISTRANTS WILL BE BILLED** who fail to attend and do not give a 7 days prior notice.
